

## Applied Physics Day 2015

November 25<sup>th</sup> at AlbaNova, FD5, 5<sup>th</sup> floor.

APhys Day, the annual meeting point for new and old colleagues at APhys is now a tradition. This year will be the seventh in order since the start 2009.

We would like to invite you to the 2015 APhys Day. The purpose is to increase interaction, integration and links between present groups and staff just as well as previous staff members.

### Program

- 14:30 Registration, coffee & sandwiches. Outside FD5, 5<sup>th</sup> floor, main entrance
- 15:00 – 17:00 Short introduction to each section by the head of section  
Linda Andersson, Head of Physics Administration
- Short break
- Ilaria Testa, Assistant Prof., Cell Physics, Applied Physics
- Short career overviews by APhys alumni
- Björn Le Normand, PhD, Eclipse Optics, Stockholm
- Anna Fragemann Kuldkepp, PhD, Trimble, Stockholm
- 17:00 Poster session outside FD5, snacks and drinks at 4<sup>th</sup> floor
- 18:30 Dinner at Syster O Bror, Drottning Kristinas väg 24

Please confirm your participation at the latest Nov 20<sup>th</sup> to [aphysday@aphys.kth.se](mailto:aphysday@aphys.kth.se) Don't forget to confirm your attendance to the dinner (important) and if you have any allergies or food preferences.

The organizing committee would like to ask PhD students to present their research at the poster session.

Take this opportunity to meet old and new colleagues at 2015 APhys Day!
