Hi Leif,

Following our phone call earlier today, here are the SCI statistics:

Overall, SCI users are accounting for about 65% of the total KTH usage.

Departments using more than 1% are:

Aeronautical and Vehicle Engineering	2,31%
Applied Physics	4,25%
Mechanics	46,26%
Medical Imaging, Signals and Systems	1,24%
NORDITA	1,16%
Physics	6,57%
Theoretical Physics	1,60%

Let me know if you need further information.

Cheers,

-- Erwin
